TENNIS IS ALWAYS OPEN FOR EVERYONE

Welcome to the ATA National Championships at the USTA National Campus!

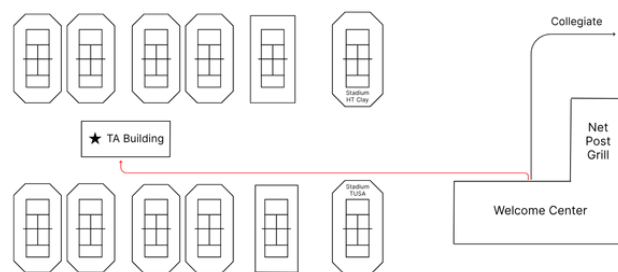

Thank you for joining us for an exciting and competitive weekend. We've been working hard to ensure you have a fantastic experience at our state-of-the-art facility. For your convenience, we have athletic trainers available daily, healthy vending machines, and our on-site café, Net Post Grill. Please note that **outside food is not permitted**.

Match recordings are available for purchase via Save My Play! Scan the QR codes on the side of each court or at the tournament desk to record and purchase. Good luck to all players — we're glad you're here!

TOURNAMENT ADMINISTRATION BUILDING

The Tournament Administration Building (TA) serves as the tournament desk for most Campus competitions.

It will be your go-to for essential support and information during the event. It also houses our athletic trainer, who provides medical assistance for athletes.

► After entering the Welcome Center, go straight through the building, then turn left. Continue past the concession stand, then turn right at the breezeway.

**COLLEGIATE CENTER:**

The Collegiate Center is home to the University of Central Florida men's and women's tennis team. Featuring 12 hard courts, you can enjoy an exciting atmosphere while supporting the teams on their home courts! To make your way to the Collegiate Center, turn right after entering through the Welcome Center and continue past the Net Post Grill.

**ATHLETIC TRAINER:**

Your safety and well-being are our top priorities. Advent Health provides comprehensive athletic training services to ensure the well-being of athletes. Onsite trainers are available in the Tournament Administration Building daily, beginning 30 minutes before a tournament begins and remaining through the conclusion of play.

**FOOD & BEVERAGE:**

Net Post Grill, located to the right of the Welcome Center, offers a diverse menu of healthy food and beverage options for athletes and visitors. We also offer concessions at the Tournament Administration Building (TA) Building, and healthy vending machines are available across campus. Outside food is not permitted.

**PRO SHOP & RACQUET BAR:**

The Pro Shop is your one-stop shop for athletic gear, souvenirs, everyday essentials, and more. With a wide range of apparel and merchandise, we're open weekdays from 8 AM to 8 PM and weekends from 8 AM to 5 PM to serve all your needs.

The Racquet Bar provides professional stringing services for \$28 per racquet, ensuring your gear is match ready. Additionally, we offer racquet customization by appointment, allowing you to tailor your equipment to suit your style and performance needs. Open from 8AM to 8PM.

**PARKING:**

As visitors approach the USTA National Campus entrance via USTA Boulevard, guest parking is located to the right. The parking lot features six EV charging stations, providing convenient options for electric vehicle owners and supporting the Campus's commitment to sustainability. Due to high campus volume, we recommend arriving early to secure parking before your event begins.

**RED ALERT:**

In the event of nearby lightning, sirens will sound throughout the campus. All guests must immediately take shelter in an indoor building, specifically the Welcome Center, until further notice. Under no circumstances are guests allowed to remain outside or stay in the Tournament Administration Building (TA). Your safety is our top priority, so please follow these guidelines closely.
